Consultum may retain up to 5 per cent of these fees and commissions and then pay the balance to PMD Financial Advisers, which engages your adviser to provide financial services. Service and advice fees paid by you

Your initial appointment is complimentary. At this meeting, James Esselmont will explain how PMD Financial Advisers operates, what you can expect and the payment options. All fees and commissions payable by you will be explained to you at the time advice is given and will also be detailed in a Statement of Advice, Record of Advice and Product Disclosure Statement(s).

You will have the ability to select your preferred payment option from the options below prior to the provision of advice. All amounts noted below are inclusive of GST:

Fee for service – once-off

The product provider deducts a once-off fee for the services provided to you in relation to your account. This fee can vary from \$550 to \$5,500, or may be higher depending on complexity and time involved but will be disclosed to you prior to engagement of our professional services.

Statement of Advice (SoA)

This fee typically ranges from \$2,200 to \$5,500, or may be higher depending on complexity and time involved but will be disclosed to you prior to engagement of our professional services.

Fee for service – implementation - initial

An initial fee for service represents the cost of implementing the advice contained in the SoA. This fee may be charged as a percentage of up to 2 per cent of assets under advice or charged as a flat dollar amount up to \$1,100.

Fee for service - ongoing

An ongoing fee for service represents the cost of providing our ongoing professional services to you. A summary of the services which you receive for this fee is contained in the SoA or in our services agreement.
